What is Alpha?

It is Christian people working together to provide for children with great needs.

Children can find open arms to them here with love and the care they need. Our door is always open to our visitors.

“... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.” Matt. 25:40

The Alpha Christian Children’s Home was established in June 1972 to care for children in need because of Love for Jesus and all children. Every child needs to know someone cares for them. We are ready to give that love to each child coming to us. In a time of great trouble for our people and country, there are many children that need us to teach them of Christ and God’s Word, and to give them a home and love. Our Motto is “Alpha and Omega: for a child Alpha is a beginning, and when they find Jesus, there is no ending.”

Children helped by Alpha are those being raised by grandparents who are no longer able, children who have been abused, neglected, orphaned, troubled, or poor, and children from dysfunctional families.

The children are raised in a family atmosphere, with Christian parents and 6 to 10 children. Each child is given individual attention to their particular problems and needs.

Many activities are available, such as fishing, hiking, nature study, baseball, bike riding, football, skating, basketball, church related activities, school activities including state and national competition, swimming, family and community interest trips. There are also many more family activities normal on a ranch setting.

In addition to these activities and trips, there is a lot of day to day caring and teaching of honor and respect for others and encouragement of each child to endeavor according to his or her abilities, that they might become caring and responsible citizens.
