Current Needs

Why there is a need: Alpha is 100% privately funded, and there is no tuition charge for those served. We are always in need of financial support, as well as food, clothing, and toys for the kids. We also have a list of special needs.

Alpha is a ministry for children in need due to abuse, neglect, being orphaned, troubled, or other forms of dysfunction. Alpha provides the children with a loving family and opportunities for healing and growth. A school learning center promotes excellence and success academically, sometimes for the first time, for each child.

Volunteer Speaker Need:

Are you a retired minister or someone who enjoys traveling and public speaking?

We are in great need of people who are willing to volunteer to travel on behalf of Alpha Christian Children's Home to represent our mission to interested churches, organizations, groups, and people as we prayerfully begin the challenging process of raising awareness of our mission, who we serve, and the financial support needs that will be involved in the process of growing the mission to reach more children in need.

Our goal is to grow to three families of 8 children each and a relief family over the next 10 years, and we need to raise our income base to be able to build and monthly support these new families.

Please call our director, Michelle Kincaid, at (785) 597-5235 if you would be interested in volunteering to help Alpha's mission for children by traveling and speaking on the children's behalf. You can make a huge difference for children being reached for Christ with loving, Christian families at the Alpha Christian Children's Home by volunteering to help in this way!

Thank you to Joe & Debbie Mack of Grandview, Missouri, for volunteering with us in this way!

Thank you to Steve Cox of KCWJ Radio in Kansas City, too!
