

Alpha's Long Range Plan

ACCH is planning for a phased expansion of its ministry. The full plan calls for three (3) fully staffed residential houses and one (1) fully staffed relief house. This model will support up to 26 children on campus. Additional staff will be needed for school and program support, as well as planned upgrades to the Multi-purpose Building and general campus infrastructure.

Phase One Funding Plan

The ACCH board is announcing a \$175,000 comprehensive fundraising campaign (Building on a Legacy of Love Campaign) to remodel and open a second residential house, add appropriate residential and support staff, and provide for property insurance and transportation. This plan will double ACCH's capacity and establish the foundation for achieving their long range goals.

How You Can Help Children in Need

The Need

Children find refuge at Alpha due to many circumstances, including past or ongoing abuse, homelessness, neglect, death in the family, delinquency, academic challenges, behavioral problems resulting from broken or dysfunctional homes, poverty, family incarceration, and substance abuse.

Alpha is literally rescuing and saving children from circumstances or choices that put them at great risk! Usually Alpha nurtures six to ten children at a time with unconditional love and care in an on-site residence, depending on the individual needs involved.

Your Mission Partnership enables children to come to Alpha to find the family and Savior that they need!

*** Please remember Alpha as a resource for a child in your area who needs a place to go.*

PRAY: Keep Alpha's mission, missionary staff, children, volunteers, and supporters lifted in prayer to the Lord.

VOLUNTEER: The mission itself has been built from the ground up over the years with the help of countless volunteers and those who have donated their services. We will be expanding the mission to three homes and a relief home over time, and will need many expert volunteers and services (architects, contractors, laborers, etc.) to accomplish this!

OTHER VOLUNTEER NEEDS:

Classroom Help, Work Projects, and Professional Volunteers & Services; Save Campbell's & Best Choice UPC Symbols and General Mills Box Tops.

DONATE: Alpha receives no government funding and relies on the financial support of compassionate churches, groups, & individuals to provide for the daily needs of each child. You can make a difference in their lives!

FOOD DRIVES: We are always in need of food and household sup-

plies. You can hold a food drive for our mission any time!

HOLD A BENEFIT EVENT FOR ALPHA: Examples are concerts, bowling tournaments, etc.

HERITAGE GIVING: Remember Alpha Christian Children's Home in your Estate Plan. . .leave a legacy to aid children in need.

The Mission

Alpha Christian Children's Home is a mission committed to rescuing children in need with unconditional love and the life-changing message of Jesus Christ. Children are provided a loving, Christian home in our residence for children, and an outstanding individual-based education through our on-site Christian school.

CURRENT MISSION GOAL: *To increase annual income to fund the monthly operating costs of a second residence for children at Alpha. This would increase our mission capacity for children being served to 16-18 children in total.*

You can become an Alpha Ministries Mission Partner with any monthly gift in support of creating and sustaining a second family here for needy children.

We can do it with your help!
