## SPONSOR-A-CHILD Program

### The Need

Children are placed at Alpha due to many types of issues including past or ongoing physical or sexual abuse, homelessness, neglect, death or homicide in the family, delinquency, academic difficulty at school, behavioral problems resulting from divorce situations and single-parent homes, poverty, family incarceration, substance abuse, etc.

The array of issues and needs that the children may face in their young lives can seem endless. Usually Alpha will have six to nine children to love unconditionally and care for in each on-site residence at a time, depending on the individual situations involved.

Your Sponsor-A-Child gift will let a child come to Alpha to find the help that they need!

It costs \$25 per day for a child to live at Alpha in our home where each one has a chance to heal; correct past mistakes; experience a Christian family's love & security; learn to respect one another; share in household responsibilities as a family, learning how to do laundry, cook, mow the lawn, etc.; gain a solid education; learn how to keep one's actions, goals, and accomplishments disciplined; and learn how a life with Christ as Savior and Lord will be full of blessing and purpose.

It costs an additional \$25 per day for each child to attend our private, Christian school where they receive individual attention to each of their academic needs and are able to catch up on ground lost in the past when they faced difficult circumstances that distracted them from their education. They then excel toward their graduation as they heal, gain positive self esteem, and encouragement when they experience that they CAN do it!

*Will you sponsor a child at Alpha for a day in the home or a day at school on a monthly basis through our Sponsor-A-Child program?*

**Just \$25 per month will allow a child to receive help through our home or school for a day that month.**

*Sponsor-A-Child today to bring joy and hope for the future into his or her life in their time of great need!*
