

Volunteer Projects / Work Dates

For over 50 years, Alpha has been built and expanded from the ground up with the generosity and hands-on work of our amazing and beloved volunteers! We are always deeply grateful for each and every person who offers a helping hand at our peaceful haven in the woods, tackling projects ranging in size from yard clean-up work or small repairs, to building completely new structures.

For 2026, we are excited to announce that our GROUP Volunteering calendar is already completely booked up for the entire year!! We have multiple projects in mind that these wonderful groups will be tackling this year to continue to improve and expand our campus facilities for the kids.

We will not be able to schedule any additional group volunteering trips to Alpha for 2026; however, *we DO plan to arrange a Saturday WORK DAY once each quarter which will offer a volunteering day on our campus for anyone who would like to come out and give a helping hand!* Liking/Following our FACEBOOK page is a great way to become aware of any upcoming Volunteer Project Work Days that you might be interested in!

Note: There are many other areas of volunteer need in addition to the priority list above. We have a more extensive list of specific projects available that include Mowing Grounds,

Interior & Exterior Painting, Gardening, Landscaping, Fencing, General Clean Up & Maintenance Around The Ministry, and Counting & Packaging UPCs for Submission. If you would like to come help out, let us know how many people would like to come, what skill set the group might have, and what kind of budget you have when you call to inquire, and we can help you pick a project to fit your specific group & skill set.

Please see the calendar below for available dates.

If a date is already reserved, it is marked as "TAKEN."
